Project Name	INVENTORY MANAGEMENT SYSTEM FOR RETAILER

CLOUD ACCOUNT

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and 'sneha O's Account'. Below this, the 'Dashboard' section is visible, featuring a 'For you' section with several cards for getting started with IBM Cloud services. These cards include 'Build', 'Explore IBM Cloud Shell', 'Get Started with the CLI', 'View APIs and SDKs', 'Create an app from the CLI', 'Build a web app with Watson Speech to Text', and 'Get Started with W Studio'. Each card provides a brief description and a 'Getting started' button. Below the 'For you' section, there are four more cards: 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. The 'News' card lists several articles, while the other three cards have 'View all' links. The bottom of the dashboard shows a Windows taskbar with various application icons and the system clock indicating 02:51 PM on 18-11-2022.
